The power of the word

Another important meeting of the partners involved in this project was the one held in Ponte de Lima, Portugal.

For three days, each partner has presented its work with the students doing the debate, and also shared their good and bad experience with making students aware about how important debate is.

Also, there were set a list of topics for further debate. And bonding. Creating new friendships.

“A wonderful fact to reflect upon, that every human creature is constituted to be that profound secret and mystery to every other.”, Charles Dickens, A Tale of Two Cities
